

lines 21-23, delete “,sodium borohydride...solution or suspension”;

line 24 delete “In a further alternative arrangement, the” and insert --The--;

and

line 25, delete “hydrogel and the reactant”.

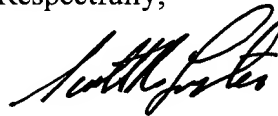

Page 7, lines 1-3, delete “In still another...slurry in oil”; and

line 4, delete “a still further” and insert - - an - -.

#### REMARKS

The above deletions of portions of pages 6 and 7 of the specification serve to remove garbled portions and errors noted in a review of the parent case. Language added to page 6, lines 10 and 11, was in claim 42 of the parent case as filed.

Respectfully,

Scott R. Foster
